

# Aphorisms

## Easy-to-remember proverbs.

- People are Human.
- Humans make mistakes.  
Let he who is without sin, cast the first stone.
- To err is human; to Forgive is Divine.
- Do What Works.
- Sweat prevents Blood.
- Peaceful and Quiet Enjoyment.
- Cooperation is Exponentially More Profitable than Competition.
- Victimization Gives License for Unlimited Cruelty
- Watch what they *do*, not what they *say*.
- It's more complex than you think it is.
- So...What are you going to DO about it?
- Everyone--even the worst humans you can think of--  
is trying to do the best they can, with what they know.
- Sunlight fries evil.
- The real world is a messy place.
- If folks are buying and selling, they're not shooting.
- Attention is the currency of a relationship. Pay Attention.
- Turn towards. Do not turn away.
- Vampires *hate* mirrors.
- Teach people what they need to know  
in order to run their own lives well.
- Then get out of the way. And let them make their own choices.
- Change comes from within.
- What Goes Around, Comes Around.
- Think for yourself.
- Normal people do what they're told. Smart people ask *Why*.
- Skate to where the puck is GOING.
- Anything that does not stop, will continue. Or grow *worse*.
- The balance of forces.

- It's life, Jim, but not as we know it.
- Life finds a way.
- Peace starts at home.
- Don't write checks you can't cash.
- How are we going to solve this, *together*?
- Production minus Sales equals Scrap.
- Before I can walk in another's shoes, I must first take off my own.
- Money is votes from **other people** for **adding value** to **their** lives.
- Your meaning & purpose is to **add value** to **other people's** lives.
- Do well by doing good.
- *1984* was supposed to be a warning. Not a manual.
- Focus on what you *want* to have happen.  
Not on what's wrong with what's already happened.
- “Punishment is a clever device that allows good people to do bad things without seeing themselves as evil.” Dr. Bernstein
- Other folks are *people* too. Just like you and me.
- What you get out depends on what you put in.
- There is never enough time in the world to do everything.  
Do the most important things first, and let the rest fall by the wayside.
